## Hitler Orders Dissolution Of Roman Catholic Church

AMSTERDAM, OCT. 24 (REUTER)—THE REICHS FOREIGN MINISTER, HERR JOACHIM VON RIBBEN-TROP WILL TRY TO PERSUADE THE GERMAN PEOPLE TO ABANDON HOPE FOR AN EARLY PEACE WHEN HE SPEAKS IN DANZIG TO-NIGHT, ACCORDING TO THE BERLIN CORRESPONDENT OF THE "HANDELSBLAD."

The Wilhelmstrasse is described as attaching great significance to the speech but it is regarded more for home than foreign consumption, otherwise it is suggested that Herr Hitler would have preferred to speak.

The silence in Berlin both as regards Herr Hitler's private appeal to M. Stalin and the conference of Nazi leaders is interpreted in neutral countries as meaning that Hitler has heard nothing pleasant from either sources, according to competent observers, reports Reuter from London.

"HAT'- TRICK": CENTURY PEREIRA'S REGGIE BROADBRIDGE

By "E. U. Ropes"

Cricket honours for the week-end, despite a century by R. T. Broadbridge in the intra-Club game on the Kowloon Cricket Club ground on Sunday, and the "hat-trick" by A. P. Pereira on Saturday, must go to young Albert Odell and F. A. Weller, of the Central British School, who, between them, humbled the powerful Kowloon Cricket Club 2nd XI, trouncing them by 9 wickets on the School ground.

Mention must also be made of W. G. Pryde who opened the innings with Odell, setting up 96 runs for the first wicket after the K.C.C. had declared at 143 for 9. Odell continued to bat attractively for 77 runs and Weller was undefeated with 45 to his credit.

## RECOGNIZED PROCEDURE ARMAMENTS FOR MERCHANT SHIPS LONDON, Oct. 24 (Reuter)-The

NORMAL &

GENERAL

German statement that British ships are only allowed to enter Dutch waters after surrender of armament is untrue.

The wording of the Netherlands' proclamation of neutrality permits the entry into Dutch ports of merchant ships genuinely armed for self-protection against German submarines which sink British neutral ships leaving their crews to drown, etc.

The German claim that arming for self-defence converts a merchantman into a warship is not in accordance with international law, under which such arming is a normal and recognised procedure.

AMERICAN BAN President Roosevelt's decree, prohibiting submarines from entering territorial waters, effectively prevents German submarines using American ports as in the last war. when the British were obliged to maintain a patrol.

## Negotiations With Finland Continued In Moscow

MOSCOW, Oct. 24 (Reuter) — The Finnish Delegation began talks with the Soviet leaders at the Kremlin yesterday evening. Diplomatic circles here believe that the Soviet is not asking for the occupation of the Aaland Islands, but merely for a formal promise that they will be kept unfortified.

It is also stated that the Soviet will not insist on an alliance, but will be content with certain guarantees that Finland will refrain from participating in a combination of powers hostile to Soviet Russia.

COTTON: The market to-day reflected the confusion regarding the European situation and the uncertainty of the neutrality legislation. Prices moved irregularly in light volume of business with many traders on side-lines. "Spots" are firm and there has been an improved trade demand which met with limited amount of hedgeselling.

RUBBER: After a firm opening on the strength of London prices, the market eased on a moderate amount of dealers' hedging. Commission Houses were buyers, while manufactures are showing not much interest. "

WHEAT: Prices were somewhat erratic and easily influenced by unfavourable weather which continues in South-west. The foreign market is no new incentive to induce good buying. The late easiness. was attributed to poor exports and the confusion of War news.

HIDES: Tanners are showing not much interest apparently awaiting more reasonable offerings. The seasonable increase in supplies continues to be a detriment to higher prices. NEW YORK STOCKS: Previous close, 153,86; To-day's close, 153.71; Change, off .15.

## OLYMPIC PLAYER FOR EASTERN SOCCER

## Tsui Ah-fai To Appear On November

Evidence of the strong efforts being made by Eastern to capture the football honours this year is further revealed in the fact that they are importing two Chinese champions from overseas to play for their first team this year.

One of these is a world Olympic player and would prove a formidable asset to the Eastern Club. He is TSUI AH-FAI and the famous All-China centre-half.

He is now in Manila, but has been successful in securing a job with the Hongkong branch of the Wing On Bank. He is due here early next month, and will in all probability make his first appearance in local League football when Eastern meet the Club on Nov. 18.

#### HERE BEFORE

"The other player being brought out by Eastern' is YUEN WAN-TUNG. He is due here from Haifong on Friday and will be seen in action against the Royal Navy on Sunday next. Yuen is not entirely unknown to Hongkong football fans as he was here with the Haifong team a few months ago. but then he was known as Nguyen van Thong, his Tonkinese name.

Having been born and brought up in Tonkin, French Indo-China Yuen speaks French and Tonkinese in addition to his native Chinese. He is a useful forward and will probably replace Chan Yue Tin, the Eastern left inner , who has left for Yunnan to take up an appointment with the Chinese Government.

#### NEW AIR SERVICE: CHUNGKING TO RANGOON

#### Inauguration Early Expected

CHUNGKING, Oct." 24 (Reuter) -The early inauguration of direct air mail passenger service between Chungking and Rangoon is expected here, with stops at Kunming and Lashio en route. The passenger fares are officially

announced as follows:

Chungking to Kunming \$325 (Chinese currency); Kunming to Lashio \$550 (C.N.).

Lashio to Rangoon \$650 (C.N.). From Lashio to Kunming £14. The Chungking-Rangoon line will be operated by the Sino-American China National Aviation Corporation.

#### BELGIANS DENY PARIS REPORT

PARIS, Oct. 24 (Reuter)—The Belgian Embassy in Paris has issued a denial of the Paris reports that Belgians of military age residing in France have been recalled to their own country.

Far from this being the case, the Embassy says, Belgians in France, who are now serving with the Belgian Army, have been given leave to return to their families in France.

beached the Fatshan and the passengers remained on board. **GUNBOAT TO RESCUE** 

Fifty minutes later, in response to SOS signals, a British torpedo boat arrived and soon after British gunboat went to the assistance of the river steamer. The Kinshan, which is on the

Hongkong-Macao run, on receiving news of the mishap, left Hongkong at 2 o'clock yesterday afternoon arriving off Lin Ting Island at 3.45 after a journey of less than two hours. Special permission had been obtained from the authorities for the vessel to use the Capsuimun route, in order to save time.
